From the north of England via the M1

Leave the M1 at Junction 15. Up the slip road and turn right at the roundabout. Join the A508 and follow the signs to Stony Stratford. The A508 will wind its way through the small town of Road and the village of Grafton Regis. After seven miles you will arrive at the intersection with the A5 which is controlled by traffic lights.. Turn left on to the A5. Take the first exit from the A5 (about 3K or 2 miles) which is signed A422. Up the slip road to the traffic lights. Take the second exit, H3 Monks Way (NB: this is also the A422). Down H3 to the first roundabout, the Stacey Bushes Roundabout. Turn right into Alston Drive. Madison is at towards the end of the road on the left.

From the south of England via the M1

Leave the M1 at junction 14. Up the slip road and turn right at the roundabout and join the A509 to Newport Pagnell – do not follow the signs to Milton Keynes (trust us, this works best!). Follow the A509 to the first roundabout. Turn left into H3 Monks Way which also the A422. Follow the H3 Monks Way across five roundabouts (Blakelands, Grt.Linford, Redbridge, Stantonbury and Bancroft). Past the Concrete Cows on your right which you can just glimpse through the bushes. Pass under the railway bridge Turn left at the Stacey Bushes roundabout into Alston Drive. Madison is at towards the end of the road on the left.
